2014 Summer Swim Lessons at VOU

Liz Salaverri, Carly Hollingshead, Shannon Vetter, and Elizabeth Lebherz will be teaching group and private swim lessons at the Villages of Urbana Pool. Lessons begin the first week of June and will continue through the first week of August for VOU residents.

Group lessons are \$85 per session. One session meets six times for 30 minutes each day. To identify which class is appropriate for your child, please refer to the class descriptions which specify the prerequisites and objectives for each class. These descriptions are especially important in identifying which class is appropriate for your child.

To register for group lessons, send an email message to the class instructor. Be sure to indicate the specific class for which you are registering. You will receive a reply with an attachment. Please print this attachment, complete it, and mail it along with your payment to the instructor of the class for which you are registering. Payment in full is due at the time that the registration form is submitted. A confirmation message or a phone call from the instructor will ensure your child's spot in the class once payment and the registration form have been received. Spots will not be held without a submitted payment for classes.

Private lessons will be available throughout the summer at a cost of \$30 per 30-minute lesson for one swimmer and \$40 per 30-minute lesson for two swimmers. Please contact an instructor by email directly to set up lessons:
