## Recycling the Right Way

**T**his Thursday, April 28 is the next recycling day. We anticipate that it will be windy. Please note the following guidelines and suggestions from Frederick County:

1. DO NOT overfill the containers. If you have an unlidded bin, please make sure that the recyclables are not piled higher than the side of the bin. If you routinely overfill the unlidded bin, you may contact Frederick County and request a bigger bin.
2. Please call Frederick County directly to report missed collections, spills, recycling litter, and dropped glass. Their phone number is 301-600-2960.
3. If you have a lidded bin, you may tape down the lid with painter's tape to keep it from blowing open.

To sign up for a reminder and notification app provided by the county, please visit [www.frederickcountymd.gov/recycle](http://www.frederickcountymd.gov/recycle). Additional information from Frederick County about recycling is posted on the Facebook page.
