VOU Spring Yard Sale May 5

The VOU Spring Yard sale will take place Saturday, May 5. Residents are encouraged to set up yard sales at their houses. This year, we are asking residents to put balloons on their mailboxes if they are participating in a yard sale. We hope this will improve visibility to potential buyers. Homeowners are also allowed to set up tables in the lower parking lot of the Natelli Community Center at 9023 Harris Street beginning at 6 a.m. Please do not use the parking lot at the Shafer's Mill Community Center for the yard sale. Residents are asked to bring their own tables, as no community tables will be available. Also, please remove all unsold items from the parking lot when you are through. Failure to clean up the parking lot will result in the inability to use the community center for future yard sales. Rain date will be May 6.

VOU Swim Lessons Information

The Pools & Outdoor Recreation Committee has announced that Liz Salaverri, Carly Hollingshead, Karilyn Head, and Shannon Vetter will be teaching group and private swim lessons again at the Villages of Urbana. Lessons begin the second week of June and will continue through the first week of August for VOU residents.

Group lessons are \$85 per session. Each session meets six times for 30 minutes each day. To identify which class is appropriate for your child, please refer to the class descriptions found on the website which specify the prerequisites and objectives for each class. These descriptions are especially important in identifying which class is appropriate for your child.

To register for group lessons, send an email message to the class instructor. Be sure to indicate the specific class for which you are registering. You will receive a reply with an attachment. Please print this attachment, complete it, and mail it along with your payment to the instructor of the class for which you are registering. Payment in full is due at the time that the registration form is submitted. A confirmation message or a phone call from the instructor will ensure your child's spot in the class once payment and the registration form have been received. Spots will not be held without a submitted payment for classes.

Private lessons will be taught by Carly, Karilyn, and Liz. They are also available throughout the summer at a cost of \$25 per 30-minute lesson for one swimmer and \$35 per 30-minute lesson for two swimmers. Please contact an instructor by email directly:

Water Fitness classes will be available on Mondays and Wednesdays starting June 18 and running through August 8. Information about the classes can be found on the VOU website or by visiting www.wetyetwaterfitness.com.
