Do you need new pool pass photos?

If you already have a pool pass and you are happy with the photo, you do **NOT** need a new photo! Your new passes, with the old photos, will be delivered to you when you complete the pool pass form, available at the management office or on-line. If you do not have a pool pass already, and/or if you want a new photo, please stop by from 9 to 1 for the photo. We are only taking the photos at this time, and will deliver the passes later, consequently you should not have to wait in line while the passes print. **Please visit the management office at 9023 Harris Street during the Share Prepare Fair, Saturday, April 6 between 9 AM and 1 PM!**
