Trash Cans and Alleys

At its August meeting, the Covenants Committee reaffirmed its decision that alleyways are considered to be in public view, and that homeowners with garages should store their trash and recycling bins inside the garage or apply to the Design Review Committee to construct a structural screen. If you would like to exchange your large lidded recycling bin for a smaller size, please call Allied Waste at 301-694-6498. For information about the recycling program, you may also call Frederick County at 301-600-2960 or visit the Frederick County website (www.frederickcountymd.gov). Recycling day in VOU is every other Thursday.
