## Concrete Work Schedule This Week

Concrete is planned in the following areas on the days below. Please note that concrete work is very weather dependent. If there is a storm, the work in your area may be postponed for a day. Additional information will be distributed by flyer. All areas have been marked with orange or green paint. Please do not step in fresh concrete. Please do not let your children draw in or otherwise damage fresh concrete, as this will shorten the lifespan of the concrete. If concrete in front of your driveway is being replaced, do not drive across the fresh concrete for at least 2 days after it has been poured.

DAY 1, August 31 – Brien, McPherson, Sprigg, Lew Wallace, Bealls Farm, Seward

DAY 2, September 1 – Tabard and Hope Commons

DAY 3 and 4, September 2 and 3 – Singleton, Ward, Burgee, Connor, Hartwick

DAY 5, September 4 – Old Mill Condominium
