Tot Lots Replaced

The tot lots located at Campus Drive, Singleton Terrace and Winthrop Lane are scheduled to be replaced starting Wednesday, December 13. Please ask your children to stay away from these construction sites while the work is ongoing. The work should be completed by mid-January, weather permitting.

Reminder for Pet Owners

Please remember that pet owners are responsible for the cleanup of their animal's waste. There are numerous boxes throughout the community with dog waste bags for your convenience. If your dog is routinely urinating on someone else's yard, this can cause damage to grass and plants. Please make sure that your animal is not routinely using someone else's private property in this manner. You may be held responsible for damage to plantings and grass caused by waste from your pet.

Please remember that streets with green street signs are county roads and are cleared by Frederick County. To contact Frederick County Highway Operations, please call 301-600-1564. All alleys and streets with white street signs are maintained by the Villages of Urbana. Renew Membership Passes Early

Membership Update: NEW for 2018!!! Remember that all membership passes expire on May 1. You may renew your membership pass any time after December 29. This year, continuing members will be able to select a "Quick Renewal" option for the membership pass renewal for 2018. This is a good option if there have been no changes in your household. Your household account will be updated EXACTLY as it was in 2017. This is a great option for families that have not changed.

Who should NOT use the Quick Renewal option? Any household that has added or lost members, any household with children who have reached the milestone birthdays of 3 years, 10 years, or 16 years. The links for both options will become active on December 29, 2017. Whether you are doing the Quick Renewal or the Full Renewal, please remember that if you renew your passes before February 28, 2018 you will receive an additional 7 guest passes - 17 per household total. This is a great value!
