VOU Snow Plan

The Villages of Urbana has a detailed snow plan. To view it, please visit the website at www.villagesofurbana.net. Then navigate to Resources>Community Information>VOU Snow Plan. There you can click on your street to see details for snow removal. Please remember that streets with green street signs are county roads and are cleared by Frederick County. To contact Frederick County Highway Operations, please call 301-600-1564. Streets with white street signs are plowed by the Association's contractor. For more information, call the management office at 301-831-4810.

Call for snow shovelers! The management office has already been contacted by residents who need help shoveling. If you are interested in shoveling snow this winter, please send the name, general area of availability (i.e., Kendall Drive area, etc.), and a good contact number or email. We will post the list on the web site.
