## COMMUNITY SCOOP

### Meetings Rescheduled

The Board of Directors meeting has been rescheduled to July 21. The Finance Committee meeting has been rescheduled to July 20.

### Please Keep Cars Locked

The management office has received several reports of late-night groups of high-school-aged boys wandering through the community and pulling on car door handles to see if the cars are locked. Please remember to keep your car doors locked. Keep your outside lights on at night, as this is an important component of the community's lighting plan. If your children are out late at night, please remind them that in response to reports of this activity, the police are increasing their patrols of the neighborhood, and that theft from vehicles is a crime.

### Reminders for Pet Owners

Please be considerate when walking your dog. Pet owners are responsible for cleaning up after their pets.
