Your single trash container...without a lid...may be a candidate for VOU's public enemy #1 award. Single...uncovered (that is, without lids)...trash containers may not handle the number of plastic trash bags put out on the curb on trash collection days and may invite birds and other animals to break them and spread trash on the street.

The result? Raw trash on the street that the VOU Association may have to pay to be picked up. The trash contractor is NOT obliged to pick up trash that has come out of bags because of bird or animal damage.

What to do? Buy a larger trash container with a closeable lid...or buy a second container that...in combination with the one you already have...will contain all the trash that you put out for collection. And remember...don't forget the lids. Keeping VOU beautiful takes a bit of attention...and work...on every resident's part!

THE MANAGEMENT OFFICE IS CLOSED ON JULY 4, BUT OPEN ON SATURDAY, JULY 7 FROM 9 AM TO NOON. RECYCLING WILL BE POSTPONED TO JULY 6 THE WEEK OF JULY 2, IN RECOGNITION OF INDEPENDENCE DAY. TRASH WILL NOT BE AFFECTED.
