COMMUNITY SCOOP

VOU/Highlands Blue Grey Golf Cup

For anyone interested in playing Ryder Cup style golf, come out June 26th for an all day event. Please email mhawk@annapolisfirst.com or escheidhauer@comcast.net for details. This is a neighborhood event—no monies are made or donated, all monies go back to the golfers. Breakfast, lunch, dinner and drinks are included, plus two rounds of golf.

Please Keep Cars Locked

The management office has received several reports of late-night groups of high-school-aged boys wandering through the community and pulling on car door handles to see if the cars are locked. Please remember to keep your car doors locked. Keep your outside lights on at night, as this is an important component of the community's lighting plan. If your children are out late at night, please remind them that in response to reports of this activity, the police are increasing their patrols of the neighborhood, and that theft from vehicles is a crime.

Tennis, Everyone!

ITC Tennis and its staff will be offering adult and junior tennis instructional clinics, lessons, camps and social mixers at the Villages of Urbana this summer. Whether you're new to the game or an experienced player there will be a spot for you. We will be committed to offering a variety of tennis programs to get you active and improve your game.

For young children a teaching program that uses child sized racquets and nets to get them active and to learn to play tennis will be used. For the older junior players there will be programs for the beginner and intermediate players. In addition a junior tennis camp and a summer activities camp will be offered with 10 one week sessions each day, beginning Monday June 16. Each camp will offer a learning experience in a fun atmosphere. Of course there will time for the pool at the end of each day. A variety of adult programs for every level and type of player will be available. Clinics and sessions will be grouped according to level of play. Please visit the VOU website for more information, or contact itc-tennis@comcast.net.

Lazy Man Challenge

From July 1 to July 31, be an Ironman the Lazyman way! Pick your goal based on your fitness level and take 31 days to get there. Almost everything counts. Doggy-paddle those swim miles if you need to. Walking counts for run miles, as do miles done on a treadmill or elliptical, or even miles spent walking around the zoo with the kids. Don't like riding a bike on the road? An exercise bike counts too. For more information and to sign up, contact manager@villagesofurbana.net
