Meeting Schedule

Meetings this week at the Natelli Community Center:

Monday, June 4--Pool and Outdoor Recreation, 7 PM

Tuesday, June 5--Design Review, 7 PM

Trash Storage in Warm Weather

With hot weather already upon us, residents are reminded that trash needs to be stored in sealed trash bags inside hard-sided containers that have a lid. Trash odors are much more noticeable at this time of year, so these measures are necessary to prevent smelly situations. Also, please do not put your trash out until after 7 PM the night before trash pick-up. Please remember to store your yard waste close to your home until the night before collection. It should not be stored at the curb until the night before collection.
