# COMMUNITY SCOOP

## Summer is Here!

And that means kids may be playing in the streets and alleys. Please drive carefully. If you are a parent, please remind your children to move out of the street promptly when a car is approaching.

## Landscape Update

Due to the rain, the grass is growing like crazy and the mowers cannot move fast enough. If they mow on wet grass, they may damage it. They are mowing where conditions permit, but at present they are about 6 days behind. They will be working as fast as possible as soon as the rain clears out. Thank you for your patience and understanding. As always, if you have any questions or concerns, please email [manager@villagesofurbana.net](mailto:manager@villagesofurbana.net).
