family homeowners are responsible for clearing snow and ice from the sidewalks adjacent to their homes. This is an important safety measure, and it's the law! As a public service, residents with fire hydrants on their property should clear snow from around them. This will allow firemen easier access in the case of emergency.

Spring is Coming (It really is!)

Sometime in the next few weeks, spring will arrive. The Grounds Committee is preparing spring planting lists. Please report any VOU property where plants have been damaged by the weather, or where you think some additional beauty would be good. We will add your suggestions to our lists.
