Tennis, Everyone!

ITC Tennis and its staff will be offering adult and junior tennis instructional clinics, lessons, camps and social mixers at the Villages of Urbana this summer. Whether you're new to the game or an experienced player there will be a spot for you. We will be committed to offering a variety of tennis programs to get you active and improve your game.

For young children a teaching program that uses child sized racquets and nets to get them active and to learn to play tennis will be used. For the older junior players there will be programs for the beginner and intermediate players. In addition a junior tennis camp and a summer activities camp will be offered with 10 one week sessions each day, beginning Monday June 16. Each camp will offer a learning experience in a fun atmosphere. Of course there will time for the pool at the end of each day. A variety of adult programs for every level and type of player will be available. Clinics and sessions will be grouped according to level of play. **The first tournament of the season is scheduled for June 12 and June 13.** Please visit the VOU website for more information, or contact itc-tennis@comcast.net.
