

VOU News for You

VOUCA Management Newsletter/May 2, 2016

Let's be Summer Safe!

Please remind kids that it is NEVER safe to play in streets and alleys. Streets and alleys are primarily for vehicles. Children playing games and riding bikes in the streets have been reported to the management office as creating visibility and safety problems for drivers. Please direct your children to play in the designated tot lots and greenspaces. Frederick County prohibits the placement of signs or barriers in the street (<http://frederickcountymd.gov/277/Children-at-play-signs>). Additionally, please remind your children that construction sites are very dangerous and they should not be playing there, either. Let's have a great summer!

Update Your Membership Passes Today

Renew those passes! Please remember that the closer we get to the date of pool opening, the longer it takes to renew passes because so many people wait until the last minute. Renewal can take up to 5 business days right now, but by the first of May it may be substantially more. Please send in your form as soon as possible. Waiting until the day before the pool opens will mean that you cannot get in!

Pool season begins May 28 at 10 AM. Be sure to have your pool passes ready. No-one will be admitted to the pool without a valid pass in hand. The actual physical pass will be required. Renewal is free and easy. Just click on the links on the website home page (www.villagesofurbana.net) to complete the form electronically. If you are new to the community or need assistance, the Management Office is open 10 AM to 4 PM, M-F. **The Management Office will be open from 9 AM to noon on Saturday, May 7 for your convenience.**
