In 2013, all residents need new passes because we are changing to a “smart card” system. There is a one-time fee of \$5 per pass.

Please renew your passes if you have not done so already. You only need to come to the office if you need new pictures. You can drop off your forms and payment by check in the black drop box outside the front doors of the Natelli Community Center management office (9023 Harris Street). You may also complete the renewal form and pay for the new passes by credit card online at [www.villagesofurbana.net](http://www.villagesofurbana.net).

### Turf Treatments Scheduled

Turf applications are being sprayed next week, June 4-7 on community property.

### Fitness Center Fob Discontinuation

Please note that we have been advised that the fitness center fobs will not work after we switch to the new smart card access system. The switch is scheduled to occur on May 24, 2013. After that time, to access the center you will need a new smart card. That card will also permit you access to the pools and will provide increased access to other activities and the community centers. Adults from those households that have submitted a waiver form will be able to use their membership passes to access the fitness center after May 24.

### SummerYard Waste

Yard Waste Recycling Pickup is now the FIRST trash day of the week. Depending on when your regular trash day is, please place your yard waste out for collection on Monday or Tuesday with your trash by 7 AM. Trash should be left out only in bags inside sealed, lidded containers, only at the edge of your own property.
