## Management Updates

**Turf Treatments:** The spring turf applications of fertilizer and weed control are scheduled to begin on community-maintained property on May 4, weather permitting. If you have any questions or concerns, please contact the community manager at [manager@villagesofurbana.net](mailto:manager@villagesofurbana.net).

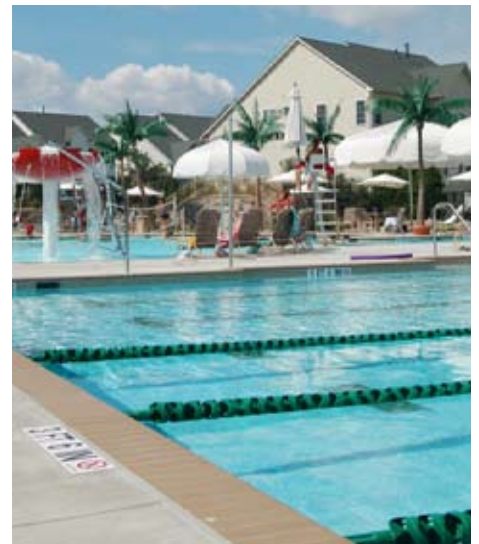

**Street Work to be Done:** Belvedere Lane, Bowling Green Lane, Brushfield Alley, Bishopgate Alley, and Ethan Ridge Alley are scheduled to be sealcoated on Thursday, May 7. Residents of those areas will not have vehicular access to their driveways from 7 AM on Thursday, May 7 until noon on Friday, May 8. This work is highly weather-dependent. If it is raining on May 7, the work will be performed on the next sunny day. You will receive additional updates by flyer and on the website and Facebook. Please contact the community manager at [manager@villagesofurbana.net](mailto:manager@villagesofurbana.net) if you have any questions.

**Safety First:** Now that warmer weather is upon us, the management office has been informed by residents that children are playing in the streets and in the parking areas around cars. Please remind your children that it is never safe to play in the street. Also, children have been observed playing with basketballs and tennis balls, bouncing the balls against cars. This can damage vehicles. Please ask your children to respect the property of others.

## Update Your Membership Passes Today

Pool season begins May 23 at 10 AM. Be sure to have your pool passes ready. No-one will be admitted to the pool without a valid pass in hand. The actual physical pass will be required.
