Annual Meeting Tuesday

The 2013 Annual Meeting of the Villages of Urbana Community Association is scheduled for Tuesday, November 12, 2013 at 7:00 p.m. in the cafeteria at the Urbana High School. The purpose of this meeting is to report on the status of the Association's finances and operations, to share information about the community, and to elect two members to the Board of Directors.

The most important thing for you to do this year is vote. There are three candidates for two openings. The election will not be valid unless we achieve a quorum. This year, a quorum is approximately 460 votes. In 2013, you will also be able to vote electronically. **An electronic ballot is available at www.villagesofurbana.net. Just follow the link from the home page!** We are hoping that this added convenience will encourage more people to vote. **The deadline for electronic voting is today, Monday, November 11.**
