IMPORTANT REMINDER

Please note that fallen leaves and grass should not be blown or thrown down the storm drains. The drains can clog with this debris, causing potential flooding problems. If the drains do not clog and the yard waste is drained to the ponds, the waste will cause problems in the ponds. Please dispose of your yard waste appropriately. Please also discuss this issue with your landscaper, if you have one.

Snow Plan

As a reminder as the weather gets colder, the Villages of Urbana has a detailed snow plan. To view it, please visit the website homepage. Please remember that streets with green street signs are county roads and are cleared by Frederick County. .
