

VOU News for You

VOUCA Management Newsletter/November 30, 2015

VOU Snow Plan

The Villages of Urbana has a detailed snow plan. To view it, please visit the website at www.villagesofurbana.net. Then navigate to Resources>Community Information>VOU Snow Plan. There you can click on your street to see details for snow removal. Please remember that streets with green street signs are county roads and are cleared by Frederick County. To contact Frederick County Highway Operations, please call 301-600-1564. Streets with white street signs are plowed by the Association's contractor. For more information, call the management office at 301-831-4810.

Call for snow shovelers! The management office has already been contacted by residents who need help shoveling. If you are interested in shoveling snow this winter, please send the name, general area of availability (i.e., Kendall Drive area, etc.), and a good contact number or email. We will post the list on the web site.

WEEK AT A GLANCE

Resident Services: Tammy MacLaren

COMMUNITY SCOOP

Management Office Saturday Hours

The Management Office will be open Dec. 19 from 9 AM to 12 PM. Also, the Management Office will be closed at noon on Dec. 18.

Christmas Light Safety

Some residents are using indoor extension cords to power their OUTSIDE lights for the season. This can be potentially dangerous. Someone could be shocked or electrocuted if the GFI fails to work. For a resource on light safety, visit <http://www.esfi.org/resource/holiday-decorating-safety-342>. Also, please be considerate of your neighbors when positioning spot lights, so that they do not also shine into the windows of your neighbors.

Leaf Removal

Please remember that owners of single family homes are responsible for removing leaves in front of their homes. Please do not rake leaves into storm drains, as they can clog the drains or cause problems with the ponds. Ruppert will be removing leaves from townhouse areas over the next few weeks.
