Landscaping Update

Over the past few months, a large number of dead and infested trees in the forested areas have been identified. These are being removed over the next week or so. Many of them were considered hazardous or capable of spreading the infestation to other trees. The vast majority are ash trees. After the removal is complete, it is anticipated that the forested areas will rejuvenate themselves. The VOU will also be looking at planting some saplings to speed up that process. If you have any questions, please contact manager@villagesofurbana.net.

Pools Reminder

REMINDER: the pools are family facilities. Alcohol and smoking (including vaping) are always prohibited. Inappropriate language and behavior will not be tolerated.

Time: 8pm- 9pm
Swimmers (18+) will have the opportunity for 15 practices throughout 5 weeks (three practices a week) for a fee of \$70.00.
