## Safe Driving Reminder

Please watch for school children! In Frederick County, every intersection is considered a crosswalk, even if it is not marked. The office has received concerns about pedestrian safety in the new Stone Barn area. Please stop for pedestrians entering the crosswalks in that area. The Association has also received complaints about traffic safety on Addison Woods Road during school pick up and drop off times. Please do not block through traffic on Addison Woods Road.

## Voting Reminder

Annual Meeting ballots were mailed out on October 1. Please return your paper ballot or VOTE electronically. YOUR VOICE MATTERS! Voting can also save the VOU a substantial amount of money because if a quorum of voters does not submit a ballot by the time of the Annual Meeting, we need to hold a second meeting and the mailing costs about \$10,000. If you want to save your community money, please vote!

## VOU Concrete Project Postponed

The concrete work in the community so far this year has been performed by Frederick County, not the VOU. The VOU concrete project has been postponed to the spring due to the excessively rainy weather. More information will follow.
